

January 12, 1950

AIR MAIL

Natural Sciences Fellowship Board
National Research Council
2101 Constitution Avenue
Washington 25, D.C.

+ *Marck Fellowship Bd.*

Gentlemen:

Mr. Ellis Englesberg has asked for an endorsement of his application for a postdoctoral fellowship to work in this laboratory during 1950-51. I will be pleased to act as his scientific adviser.

We can and will provide adequate facilities for Mr. Englesberg's research work, and he has made suitable arrangements with me concerning his program. He will be entirely acceptable to the University as a post-doctoral research fellow.

Yours sincerely,

Joshua Lederberg
Assistant Professor of Genetics

ENDORSEMENT:

C. A. Elveghem
Dean of the Graduate School
